# ABOUT ME

Hello my name is Nathan Wong, i am a student in Fairfield Methodist School (Secondary)

I am interested in pursuing a career in Cybersecurity

I am someone who can work well in a team and also resilient regardless of challenges

# INTEREST IN CYBERSECURITY

cybersecurity has always been an interest of mine since young, and to help build knowledge on it I've completed many courses regarding how cyberattacks happens and how they are prevented. Through these courses, it opened my eyes to the world of cybersecurity , further developing my interest and drive to learn more.

# ENTREPRENEURSHIP FIRST STEP

I have completed an entrepreneurship first step course from Ngee Ann Poly. This has taught me about how a successful business is first started, what are things that businesses think off when creating a product and the importance of procedures during the development of the product. Having not know much about a business or even starting one, this was definitely a worthwhile course to do

# ACHIEVEMENTS

## 24th MILO Storm U22 International Junior All-Stars 2024

During the junior all stars of 2024, i managed to attain 17<sup>th</sup> overall in the masters round. This experience taught me valuable lessons where calm and composure are necessary during difficult times and that perserverance and hard work will always pay off.

# CCA AND VIA

## NSG

During 2023 and 2024 i participated in the National School Games (NSG) competition for badminton and despite the unsatisfactory results, I learnt the importance of working as a team and improving together and also managing my time with extra trainings

## VIA with Newlifestories

BADANG s25 ULTRA  
July 13, 2024 3:50 PM

During 2024 for my VIA I had planned and organised a carnival with Newlifestories to give the children an opportunity to bond with their parents who may have been incarcerated. This taught me how to properly plan and host an event and also how to improvise when something goes wrong.

## Aldersgate praise centre

During the march holidays, i had the opportunity to volunteer at an after school care and help manage and teach primary school students. Thorough this experience i learnt the importance of patience when teaching someone of a different age group and also adapt my teaching methods to suit them better.

Dear Sir/Mdm,

**Re: Recommendation Letter**

I am pleased to write this letter of recommendation for Nathan Wong. Nathan volunteered his time with our student care centre during the March school holidays and on several Friday afternoons after school.

During his time with us, Nathan supported our team by helping to supervise students, assist with homework, and engage children in various enrichment and recreational activities. He interacted well with both staff and students, showing patience, responsibility, and a natural ability to connect with others.

Nathan approached every task with enthusiasm and maturity. He was dependable, respectful, and proactive—always willing to lend a hand wherever needed. His ability to work well with children and his willingness to contribute meaningfully made him a valuable member of our team.

I believe Nathan possesses the qualities of a thoughtful, community-minded individual who is ready to take on new challenges. I am confident he will bring the same commitment and positive spirit to any future course or opportunity he pursues.

Should you require further information, please feel free to contact me at **82992821** or **apchoc@aldersgate.sg**.

Blessing,

Kristen Neo | Centre Manager
